Dear Pun,

Hi Pun,

I liked how you used “celebrate” and “prefer” in your writing 💎 those are great words to describe an event with friends!

I could mostly understand what you were saying, but your communication and grade will improve a lot if you pay special attention to the following mistakes:

1. R:NOUN: You forgot to add an “s” to “friend” when talking about a group. For example, you wrote “with our friend” (should be “friends”).
2. R:PREP: “On” is not the best word to use before “the end of year.” It should be “at” (e.g. “at the end of the year”).
3. R:NOUN:NUM: “Snack” should have an “s” at the end because you’re talking about more than one. For example, you wrote “some of Snack” (should be “snacks”).

## Your Writing

Great idea, it is good to celebrate with our friend at the end of the year. We could either have a party in the classroom; it is easy to clean up, then my friends and I will prefer some snacks and drinks for the party. We will watch the movie or the show during the party, then after that we will do some activities like boardgames or chess. My friend will order some KFC and pizza for the party. We also have a dessert like ice cream and pancakes.
