

Writing Feedback Report

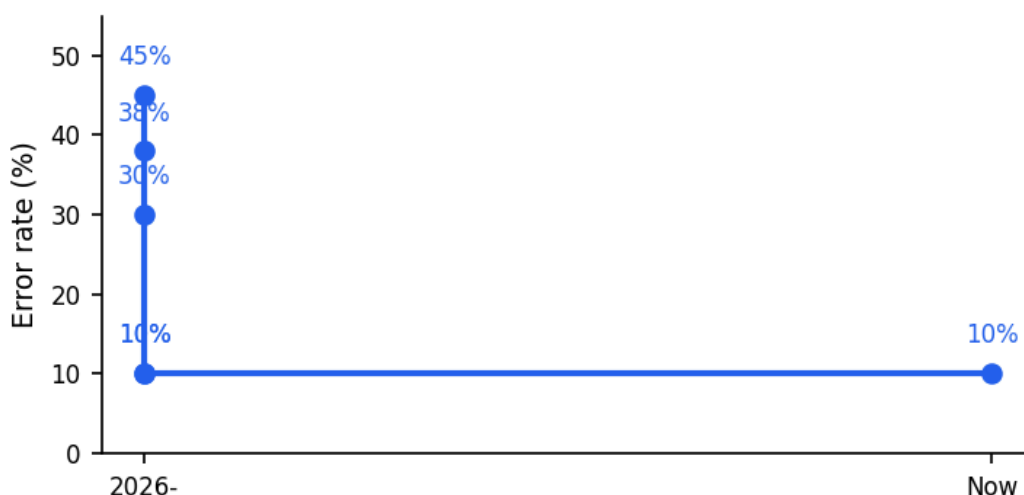

Dear Atom,

Hi Atom,

I really liked how you used “suppose” and “suggest” to clearly express your ideas about the party!

I could mostly understand what you were saying, but your communication and grade will improve a lot if you pay special attention to the following mistakes:

1. R:SPELL ❖ Check that you❖re adding punctuation after greetings (like “Dear Mrs. Lake”). For example, you wrote “Dear Mrs Lake”.
2. R:ORTH ❖ Remember to add a space between words when using contractions. For example, you wrote “of course” (but it should be “of course”).
3. R:VERB:SVA ❖ When you❖re making a suggestion, use the base form of the verb (not “should”). For example, you wrote “we should” (but it should be “we should”).

Your Writing

Dear Mrs. Lake,

I'm so excited for our end of year party.

I suppose we should stay and have fun in the room. Due to the PM 2.5, partying outside is not ideal even in the park.

I suggest that we should keep it simple and fun, and indoor-safe of course.

Maybe like stuff bunny? a game where we stuff marshmallows in our mouth, and try to speak. It'll be fun!

The class has been craving for pizza! I could order; there is one restaurant my cousin works in.

See you soon!

Atom
