

Writing Accuracy Feedback Report

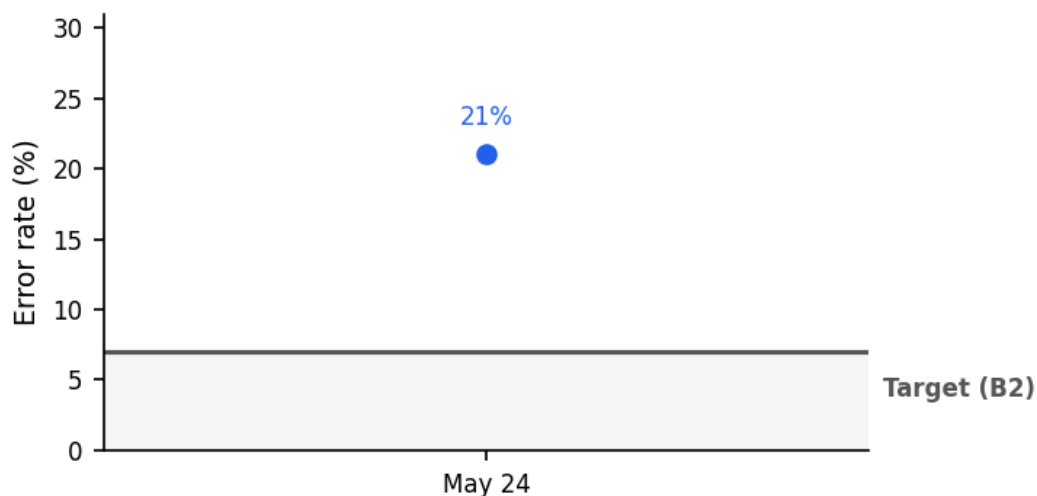

PK - 29713 - M3-3A

Dear PK,

I really enjoyed reading your explanation of what you like about yourself. It's great that you can learn things quickly and that you're a kind and careful person. Thank you for sharing your hobbies like running and playing guitar—that shows you have many interests. To improve even further, try to be aware of the following errors which I noticed in your work.

- **Verb form after modal:** After 'can', always use the base form of the verb (no 'ing'). You wrote "I can learning thing really quickly" but it should be "I can learn things really quickly."
- **Word choice and spelling:** Use the correct word to express your meaning clearly. You wrote "It is beconure of the Things" but it should be "It is because of the things."
- **Noun agreement:** Use the correct plural form of a noun when there is more than one. You wrote "i am have some free time hobby" but it should be "I have some free time hobbies."

The solid line in the chart below shows the B2 target error rate (7%). Your goal is to keep your error rate below this line. The chart tracks your progress over time.
