

Writing Accuracy Feedback Report

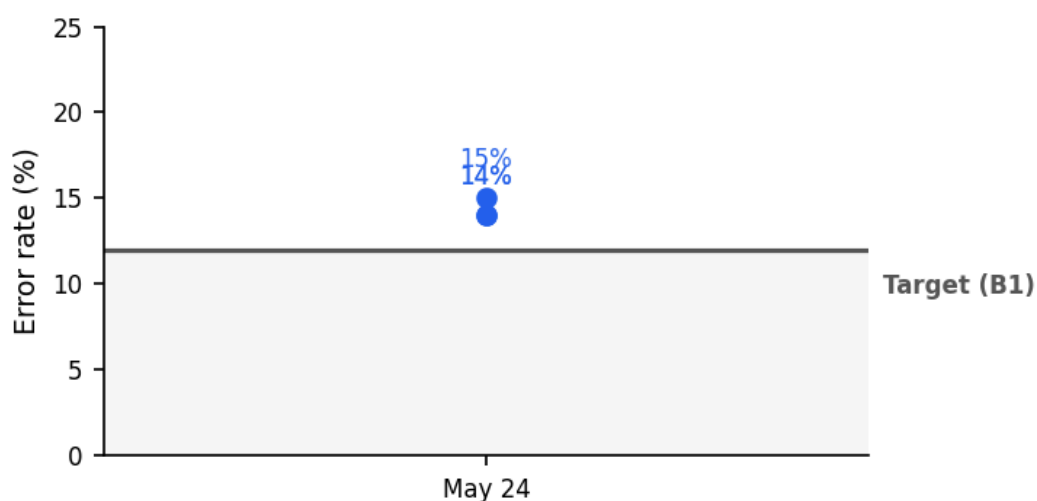

Mile - 30490 - M2-5A

Dear Mile,

Mile, you did a wonderful job expressing how much you cherish your family and the time you spend together! I especially loved how you mentioned your vacations and how your family supports your education. Your enthusiasm really shines through in your writing. To improve even further, try to be aware of the following errors which I noticed in your work.

- **Subject-verb agreement:** A singular subject needs a singular verb. You wrote "My family have enough time to spend with me" but it should be "My family has enough time to spend with me."
- **Article usage:** Use 'a' or 'the' before nouns. You wrote "bring me to good school" but it should be "bring me to a good school."
- **Verb tense consistency:** Keep your verbs in the same tense throughout. You wrote "I once use over 150 B on game" but it should be "I once used over 150 B on a game."

The solid line in the chart below shows the B1 target error rate (12%). Your goal is to keep your error rate below this line. The chart tracks your progress over time.

Your Writing with Corrections

I scanned your writing for errors and underlined the corrections below. Carefully comparing the corrected and original versions will help you become more aware of common mistakes and improve your writing skills.

The best thing that I ever have is my family. They're the best worldwide. My family has enough time to spend with me. They make me food every breakfast and drive me to school. They love me and my sister equally and take me on vacation every holiday. My twin and I have toys over our house. They bring me to a good school and they give me a lot of money and everything I like except games because I once used over 150 B on a game and soon got bored. I would like to say my life is the best! Good grades, good family, good relatives? Good friends! I'm very pretty too. My family and relatives always say that I'm cute and very smart and I like apples ♥ My life is perfect and the only bad thing is I can't play any sport nor instrument.
